SERVICES & PRICES

BASIC PROPERTY VIEWING £42

Photographs and walkthrough videos of the interior & exterior including the outside area.

Additional photographs will be included if there is damage to the internal or external walls, windows, ceilings, flooring, fences, or outbuildings.

Photographs and videos will be delivered via an online link, where you can download all the provided information.

Photographs and videos will be sent to the client on the same day.

ADVANCED PROPERTY REPORT & VIEWING £65

This report comes in PDF form and includes the same information as the basic property viewing + additional information, including:

- Detailed description of the interior & exterior, surrounding area, and outside spaces of the property.
- Inspection of the property for mold, cracks, state of the flooring, and any decorative issues.
- Condition of kitchen & bathroom units.

For full details, please see the sample report attached.

Report, photographs and videos will be sent to the client on the same day.
